YOU BETTER BE READY TO HELP US.

No kidding, guys~ we really do need help!!!

And guess what: you don't even have to be a full-time helper or whatever! For example, I might ask you to do just 2 pages each chapter and you'll get a whole week (or more) to do it.

We just need a typesetter and another side translator (You don't need to be fluent in Japanese at all!)

Also, we're in need for a background for our afternotes~ Please send us one of your liking~

raws: taken from yaoiotaku forums
translations: mitira~ & lion
cleaning and proofreading: yuki
typesetting: mitira~
